Certification by Doctor. The above-stated student after the examination as mentioned above appears to possess satisfactory medical conditions which allow him to participate in the day-to-day academic, curricular and co-curricular activities including sports and swimming in the university.

Certification by Parent. This is to state that my ward Mr/Ms _____

admitted in _____ course/programme at Rishihood University,

Sonipat is in a medically fit condition and does not suffer from Epilepsy, Neurological, Cardiac, etc conditions that may jeopardize his/her safety during his/her participation in academic, curricular, extra curricular activities including games & sports and swimming as well as stay in the university hostel.

I understand that the university and its concerned staff will at the first instance take all actions, locally, in case my ward requires medical attention at any time during his/her stay. Under such circumstances, I undertake to make immediate arrangements to ensure that my ward is provided medical attention under my supervision. I also undertake to reimburse the entire expenditure incurred, if any, by the university in provisioning such medical attention to my ward.
